

Mrs. Hilda Weil

Hilda Weil ז"ל was born in Bratislava, Czechoslovakia to Hanna and Chaim Kastner. Her family escaped to Israel in 1939 where she grew up in Jerusalem and attended Bais Yaakov Seminary. In 1955, she moved to New York where she began her career as a teacher.

In 1956 she met Dr. Joseph Weil ז"ל and they were married two years later in Jerusalem. They began their married life

in Toronto and started a family which included Yael, Orna ז"ל, Dani and Uri. While Joe worked as a doctor, Hilda worked as a teacher, leaving an enormously positive impact on all her students.

In 1975 the family moved to Netanya where the ties to Laniado began. Joe became the first medical director of the hospital, and Hilda supported him in all his efforts to accomplish its founding and success. Tragically Joseph Weil passed away in 1980, leaving Hilda to raise her family alone.

Hilda's warmth, humour and passion for knowledge were her key trademarks. Her ability to touch so many people who came into her life was remarkable. Hilda genuinely cared about whomever she met and in turn gained knowledge from each and every person who crossed her path. Hilda's respect for all people in all walks of life allowed her to enjoy life with an open mind and an open heart.

Hilda's commitment to humanity has inspired this event. May we continue, in her spirit, to provide hope and healing to those in need.
